

INTERNET INNOVATIONS GROUP

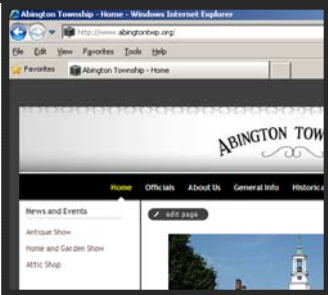

Customer Handout:

Self Update Web Site

Step 1: Login via Browser

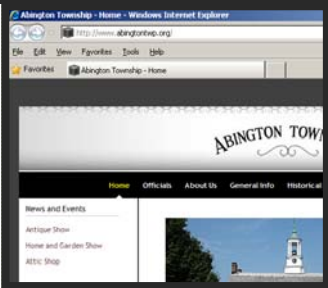

Step 2: Select Page

Step 3: Edit Online

Step 4: Publish

Take Control of your Website!

Update any part of your website, at any time!

No developer help required!

No waiting!

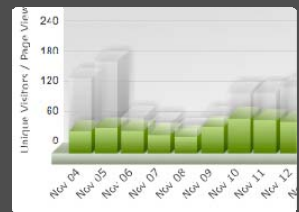

No update charges!

We'd like to introduce you to an affordable, easy to use, and reliable website platform that allows you to directly update the contents of your website via a standard browser.

We at Internet Innovations Group specialize in transferring existing websites or creating new websites in this powerful Content Management System.

By focusing on the architecture, design, and integration aspects of your website we limit our one time fee to value added work requiring our expertise.

You'll Gain Insight!

What's Popular on your Site?

Who is Sending Visitors to your Site?

How are People Searching for your Site?

Pick from built in modules:

Blogs / Picture Gallery / HTML / Maps / Site Search Box / Amazon Item List / Featured News / Featured Events / File Storage / Links / Discussions / Guestbook / Syndicate RSS / Drop Box / FAQ / Send Mail Forms / Online File Folder / Data Forms

We'll integrate other modules:

E-Commerce / PayPal / Google Apps / YouTube / and many more.

Once Setup,

\$20 per month is all you pay!

No long term contracts.

Call us for a Demo and Estimate:

(570) 267-4671

We'll transfer your existing site or design a new site.
